

Dakota Plumbing Products, LLC Lifetime Limited Warranty for Porcelain & Fire Clay

Dakota Plumbing Products, LLC warrants its Porcelain & Fire Clay Sinks to be free of defects in material and workmanship during normal residential use for as long as the original consumer purchaser owns his or her home. Gloss reduction, scratching, staining and acid or alkaline etching of the finish over time due to use, cleaning practices or water or atmospheric conditions, are not manufacturing defects but are indicative of normal wear and tear. This warranty applies only to Dakota Porcelain & Fire Clay Sinks installed in the United States of America.

If a defect is found in normal residential use, Dakota Plumbing Products, LLC will, at its election, repair, replace or make appropriate adjustment. Damage caused by accident, misuse, or abuse, such as chips and scratches after installation, are not covered by this warranty. Improper care and cleaning will void the warranty. Proof of purchase (original sales receipt) must be provided to Dakota Plumbing Products, LLC with all warranty claims. Dakota Plumbing Products, LLC is not responsible for labor charges, installation, or other incidental or consequential costs. In no event shall the liability of Dakota Plumbing Products, LLC exceed the purchase price of the product.

If the Porcelain Sink is used commercially or is installed outside of the United State of America, Dakota Plumbing Products, LLC warrants the Porcelain Sink to be free from defects in material and workmanship for one (1) year from the date the product is installed, with all other terms of this warranty applying except duration. All other components other than the Porcelain component carry Dakota Plumbing Products, LLC one-year limited warranty unless otherwise specified.
