GENESIS SERIES 7

Handmade
Zero Radius
Stainless Steel
18 gauge Sinks

The offset drain offers a way to add more surface area to your prep space. With the most popular Micro and Zero Radius undermount sizes able to be placed in left or right position, you choose what makes the most sense for you! To add to your options, 9 inch deep Apron-front sinks are also available with offset drains to the left, creating even more possibilities!
